Re: Ohio NPDES Permit E 353 \*AD  
Union Carbide Company, Linde Div.  
14788 York Rd.  
No. Royalton, Ohio 44133

Dear Sir:

In accordance with the tentative agreement reached between you and our representative, Mr. Ray Roth of CWC Industries, we intend to cut and block off the leachate drainage line to prevent a direct discharge into a small creek.

We will keep close check upon drainage from this leach area to see if any discharge develops.

Therefore, please cancel this permit No. E 353 \*AD and its conditions and we will notify the EPA immediately of any known discharge.

Thank you.

Sincerely,

Union Carbide Company
